

## GerberMag™ II

Feature	Benefit
<b>EDGE READY™</b> Manufactured and converted by Gerber for use with GerberColor™ Foils and the GERBER EDGE® series.	<ul style="list-style-type: none"> <li>Optimal printing results means less wasted material and greater profits. Superior finished product translates into repeat business.</li> </ul>
Precision punched	<ul style="list-style-type: none"> <li>Precise punch pattern provides outstanding print registration with the EDGE and perfect tracking through Gerber plotters. This means less wasted material, greater productivity and increased profits.</li> </ul>
Can be cut with 15" Gerber Sprocket Plotters	<ul style="list-style-type: none"> <li>The EDGE prints right on the white cast vinyl face of this magnetic material. That enables the EDGE owner to contour cut around printed graphics and magnetic material in one step. This eliminates the need for die cutting, saves time and increases productivity. Create unique shapes for customers. Adds value to the finished product and will lead to greater profits.</li> </ul>

GerberMag II is an excellent material choice for the production of novelty items, ad specialty pieces, refrigerator magnets, and business cards.
